TOOLS AND RESOURCES

Resource | FB-ISAO

Faith-Based Information Sharing & Analysis Organization

The Faith-Based Information Sharing & Analysis Organization (FB-ISAO) provides members with threat analysis, incident reports and other services that help organizations prevent, respond to, and recover from incidents. With an all-hazards approach, FB-ISAO provides the faith-based community with the information, training and tools they need to enhance the safety, security, and resiliency of their facilities. FB-ISAO offers a trusted environment to enable collaboration among members, the wider Information sharing community and government partners- we are stronger together.

Webinar | DHS

Preventing Targeted Violence of Houses of Worship through Faith and Community Based Approaches

With the uptick of targeted violence and safety and security concerns of faith and community groups, the DHS Center for Faith-Based and Neighborhood Partnerships in partnership with the White House Office of Faith-Based and Neighborhood Partnerships, DHS Cybersecurity and Infrastructure Administration, DHS Center for Prevention, Programs and Partnerships and the Department of Justice, Community Relations Services is hosting a webinar to highlight faith and community based approaches to ensure the safety of houses of worship in the US and in Europe.
